Re: **Permanent Release of CBM Royalty**
Well VC-539776, VC-539762, and VC-539764
Dickenson County, Virginia

Dear Mr. Dotson:

As you are aware, EQT Production Company ("EQT") has drilled the above-referenced coalbed methane gas wells on the Darrell Owens et ux 6 acre tract and the Larry Keith Owens et ux 3 acre tract (being a portion of the J. B. Compton Tract) ("Subject Tract") either under a pooling order from the Virginia Gas and Oil Board ("Board") or as voluntary drilling unit. For these wells, we are listed as having conflicting claims. Range Resources - Pine Mountain, Inc. ("RRPM") is listed as claiming under a coal title, and you or your predecessors in title are listed as claiming under a gas title. The plats indicating the location of each well within the operating unit is enclosed for your reference.

EQT, as operator of the units, has placed or will place all royalty proceeds attributable to conflicting claims into an escrow or suspense account. In order to allow release of the royalty proceeds, RRPM hereby waives any claims to past or to future royalties attributable to your interests in these wells.

By copy of this letter, RRPM is requesting EQT to initiate distribution directly to you of all current royalties, as well as all future royalties, attributable to your interests in these wells. Please be advised that EQT may require that you demonstrate that you are the current owner of the gas estate. You should work directly with EQT on that issue.

Enclosed is a W-9 Form that you will need to complete by entering your Social Security Number in Part I and by signing and dating the Certification in Part II. A self-addressed, stamped envelope is enclosed for your convenience in returning the completed form to this office.
